

SALES SHEET | PRODUCT HIGHLIGHT

PRESSURE BLOWER

SERIES 07

The Direct-Drive Series 07 Pressure Blower is designed to meet general industrial air-moving requirements. Available in 11", 12" and 14" wheel diameters, arrangements 4 or 10, it's best-suited for air laden with dust and grit and temperatures up to 200°F. Fans are field rotatable into any of eight AMCA standard positions.

THE BOLD DIFFERENCE:

BUILT LIKE A TANK

- All welded construction
- Thick cast aluminum wheel
- Heavy gage materials

HIGH END DESIGN

- One piece cast aluminum wheel
- Easily added accessories
- Mount in any orientation

NO HASSLE MAINTENANCE

- Industrial grade motors needing only lubrication
- Field rotatable housings
- Belt tension adjusted using a pivoting motor base Arrg 10 only

CLAIMS COMPETITORS CANNOT MAKE:

Compact design using only four mounting holes

ABS Certified

GOOD ENOUGH NEVER IS™

At Hartzell, these are words we live by. You expect the most reliable and durable industrial air movement products available, so we hold ourselves to a higher standard.

Made in the USA

SPECIFICATIONS:

Size	11" - 14"
Material	Steel, 304SS, 316SS, Aluminum
Pressure Range	up to 14" sp

Markets

The Hartzell Pressure Blower is designed for a wide range of industry applications:

Chemical

Energy

Food Processing

Heavy Industry

Transportation

Marine

FEATURES

Construction — Heavy gauge, welded, hot-rolled steel fan scroll and base.

Easy Installation — Packaged unit, ready for installation.

Wheel — Radial bladed with excellent self-cleaning characteristics. Prevents material buildup on and around the wheel. Dynamically balanced for smooth operation.

Coating — Standard coating is an industrial grade powder coated enamel.

Performance Guarantee

You have high expectations. So does Hartzell Air Movement. We know you demand the most reliable and durable industrial air movement products available, so we're holding ourselves to a higher standard. We're so sure that our products will out-perform industry standards, we're backing that promise with the industry's first five-year warranty.

Design Services

Hartzell offers designs and engineering support to custom design products to meet your specific applications.
